Nissan Forklift

Nissan Forklift Training Markham - Nissan takes immense delight in reaching total consumer satisfaction, when their client is experiencing one of their many products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality standards to their customers. Incorporating a rich heritage combined with resilient processing principals, Nissan lift trucks offer some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Committed to delivering consumer support, the company has four distinct manufacturing facilities that allow them to persistently adapt to their consumers continually evolving needs by offering a range of progressive ideas and designs.

The Nissan Forklift North and South American foundation is situated in Marengo, Illinois. A dedicated team of 350 personnel is committed to the cooperation, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental responsibility by utilizing methods that minimize the global influence of their products and processes. These high values remind clients that Nissan operates under the quality seal that their consumers insist upon while being an environmentally conscious company.

Nissan is quite confident that any of their clients inquiries and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even visiting their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
