Genie Forklift

Genie Forklift Training Markham - Genie is a universally recognized company that enjoys the spirit of collaboration with their vast network of associated clients. Genie Industries prides itself on the intention of bringing materials and people higher and extending beyond the products they design. Genie Industries strives to help clientele build their business no matter how large or small the level of undertaking may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, transportable material lift initiated the start of Genie Industries. A succession of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These modern goods secured global recognition and established modern product design.

At this time, Genie Industries is a subsidiary of the Terex Corporation. Among their highest priorities are to fabricate and maintain foremost quality manufacturing and uncompromising level of support and service. With customers from Dubai to Dallas and Hong Kong to Helsinki requesting the unique blue coloured materials forklifts on the jobsite, the company is securely planted in their exceptional customer principles and service. Acknowledging that their clients are their greatest inspiration, the team at Genie Industries are individually committed to offering expertise and maintaining customer rapport.

The conscientious team is constantly dedicated to identify the most green and efficient, environmentally accountable ways to develop the products the customers want. The company's -lean manufacturing"• practices help diminish waste while offering the highest quality product possible in the shortest timeframe at the least expensive cost to the customer. The staff at Genie Industries is proud to serve the industry and this is reflected in every creation they design. Always inviting customer input allows them to design and cultivate innovative new products that are straightforward to service and operate, deliver optimum value-for-cost and satisfy international standards. Thriving on consumer advice helps Genie Industries to repetitively evolve and satisfy the consumers' needs.

Genie service professionals recognize the importance of uptime. They are readily accessible to answer inquiries and offer solutions. Their vast components network will swiftly send parts to ensure their consumers' machines are operating effectively. Every product comes backed by a competitive and reliable warranty.

Genie Industries takes great pleasure in its customer service and builds and serves its products to guarantee proficiency and maximum uptime on the job. Offering on-going instruction opportunities, to marketing support to adaptable financing solutions, Genie Industries provides their customers the resources to get the most out of their investment.
